Dish brush, Ena Living, 23x3.5cm, nature, beech wood/sisal, hard bristles, with handle

- ✓ Scandinavian design
- ✓ Oiled surface

Product Description

The Ena Living Dish Brush is made of beech wood and with hard sisal bristles. The brush has an attractive oiled surface and a practical long handle. It is particularly suitable for slightly tougher cleaning of, for example, pots and pans that have been pre-soaked. We recommend that the handle is treated with oil so that it retains its softness.
