cater.Line

Gold film, ABENA Cater-Line, 300m x 30cm, champagne, PE, unperforated, unperforated

- ✓ PE gold film has better adhesive strength than standard PE film
- ✓ 12 my thickness ensures better food protection, stretch and handling
- ✓ Good all-round film
- ✓ Also suitable for pure fat, oil and fatty foods

Product Description

The film can be used to store all types of food and for general household purposes - so it is a really good all-round film that is also suitable for pure fat, oil and fatty food. PE gold film also has better adhesive strength than standard PE film, and the 12 my thick film ensures better food protection, stretch and handling.
